10 AM shotgun, continental breakfast, lunch, prizes

Bob McKillop keynote speech – we have the power to save more patients!

2015 Save A Life Golf Classic

Support Save A Life Group and You will help Save more Patients!

- Enjoy a day of golf with our team of organ recipients, donors and donor family members, along with our team of volunteers and advocates. “Paying it forward” is our goal.
- Your participation as a sponsor, golfer, or advocate will help to educate and raise awareness. More folks will say “yes” to organ donation at the DMV, or sign-up online.
- Become a supporter and help make a real difference in patients and their families in North Carolina.
- NC donor registry is up from 49% to 53.6% in but three years, so your support is making a difference!
- In but two years, \$67,500 was raised for one of our beneficiaries LifeShare Of The Carolinas, the OPO. Please help us continue on a path of saving more patients!
