

Ronald McDonald House Charity Golf Tournament

Suminoe Textile of America is hoisting the 3rd annual charity golf tournament to raise money for the Ronald McDonald House!

What is Ronald McDonald House Charity?

Helping a sick child fight their illness takes a big enough emotional toll on a family. Adding a financial strain can make it all almost too much to bear. RMHC can help address those problems, whether they involve housing that's near a hospitalized child, the expense of staying together in another city, or even getting basic medical and dental care in a vulnerable community. These programs can be found in more than 290 local Chapters in 58 countries and regions.

Ronald McDonald Camp is a place where kids with cancer, and their siblings, can enjoy just being kids. It's a week of fun and friendship, and freedom from being different. It's a chance to experience new activities and acquire new skills in a supportive, nurturing environment. It's a time when kids can talk openly about cancer and everybody else understands. The Camp is located 3 hours outside of Philadelphia and 100% of proceed from the golf tournament will be used to adopt campers for RMC
