

25th Anniversary

CHILDREN'S HOMES
OF CLEVELAND COUNTY

Fourth Annual Golf Tournament
April 28, 2017
River Bend YMCA Golf Course

CHCC philosophy operates on the premise that children should have a family. That family may be the birth family, it may be the extended family, it may be a foster family, it may be an adoptive family, it may be a group home family or it may be a combination of any of the above. We believe that all children deserve to know that those responsible for their care will, to the best of their ability, teach them, nurture them and care for them. We believe that children and their families respond to being treated fairly and respectfully. We believe our actions in dealing with children and their families should be fair, respectful, and ethical and handled in a confidential manner. Lastly, we believe that children are our future and our role is to help shape the future through their lives.

That is why we need your financial support so that we can continue to provide the best we can for our children and their families. We hope you will be willing to sponsor a hole for our golf tournament.

Thank you!
